

## Instructions for reserving and setting up a demo table at Touching Business Event 3.9.2009

### By reserving a demo table at Touching Business Event, you will

- ensure the visibility of your company in the event
- get the opportunity to show your NFC products and/or know-how to the international NFC Forum members
- build up the awareness of your NFC product and/or know-how among Finnish companies

### The demo table package includes

- a table for the display
- a LCD Screen (32") (with a VGA-interface)
- electricity for your laptops and demo equipment

### You can bring

- 1 roll-up
- simple equipment for demonstration purposes (such as a laptop)
- brochures

**NB! The demo tables are to be set up within an hour (2pm-3pm). Due to the time limit it is best to keep it simple: Time-consuming presentation material such as posters or banners is not allowed.**

### The cost

- 400 euros + VAT 22 % for NFC Forum members
- 700 euros + VAT 22 % for non-members (includes a free entrance for two persons)

### Demo table reservations
